Grant Program Overview

Funding for arts and/or cultural projects open to the public in Santa Cruz County, up to \$3,000. Open to Santa Cruz County artists, arts organizations, and non-arts organizations working in collaboration with artists.

Visit our website for a list of [recently funded artists and projects](#).

Grant Program Objectives

We provide funding for artists and organizations in Santa Cruz County to:

- Support the creation and presentation of artistically excellent work
- Increase the success of artists and the sustainability of arts organizations
- Expand equitable access to the arts
- Engage new audiences in the arts
- Increase social impact through the arts

Definitions

Equitable access: how you are improving disparities in representation and access to the arts.

Social impact: how you are advancing racial justice and/or social issues in your community.

Awards

The Create grant program is competitive with approximately 25% of applications funded. Partial funding will be offered to some applicants.

Grant Maximums	
First-Time Applicant Pool (optional) ¹	up to \$1,000
Returning Applicant Pool	up to \$3,000

¹ **First-Time Applicant Pool:** Those who have never applied for an Arts Council grant are encouraged, but not required, to apply in the First-Time Applicant Pool. The First-Time Applicant Pool only includes other first-timers and is evaluated separately, offering a higher chance of receiving a grant award.

NEW: Organizations are no longer required to match the grant with other funding.
