

KINETIC ART PARADERS!

Officially Official Guidelines & Entry Form

The Ebb & Flow River Arts Project is celebrating and enlivening the San Lorenzo River and the Tannery Arts Center through year-round activities that unite arts and river enthusiasts, and connect the greater community. Through Ebb & Flow, together with artists, activists, neighbors, and strangers we're building relationships and energizing the use of the river and the Tannery campus.

Come one, come all, to create kinetic sculptures for the Ebb & Flow Kinetic Art Parade on June 3rd, 2017! Terrific prizes will be awarded to the most awesome sculptures – see details below – and the five winning sculptures will be on display at Radius Gallery for the month of June. There are just a few restrictions and rules so please read these Officially Official Guidelines carefully.

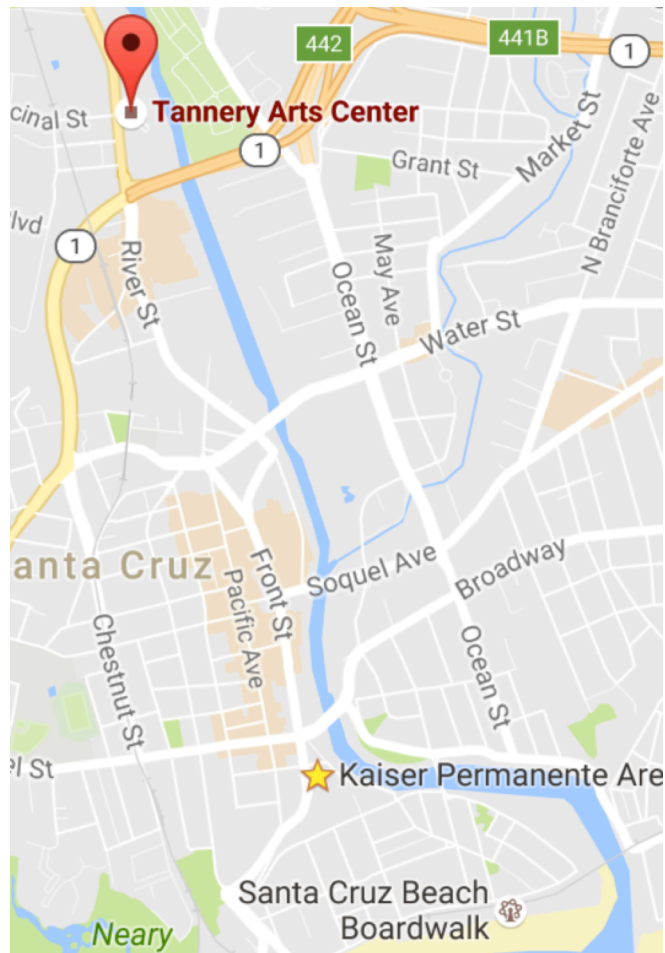

THE ROUTE

The Parade will start near the Kaiser Permanente Arena, flow down the Riverwalk, and end at the Tannery Arts Center.

Early registration is the best! It's *almost* as great as the kinetic art you are making to move on the Riverwalk – *almost*! If you register early, you and your team will be included in pre-parade publications, marketing materials, and other fabulous ways Arts Council Santa Cruz County is telling the Ebb & Flow story. The sooner we receive your entry form, the sooner we'll shine the light on you and your art!
